SUMMARY

Motivated MCA student with a strong foundation in Java, HTML, CSS, JavaScript, React.js, and SQL. Developed academic projects that strengthened my programming, problem-solving, and web development skills. Passionate about building responsive web applications and eager to contribute to a software development team while continuously learning modern technologies.

EDUCATION

Master of Computer Applications <i>Federal Institute of Science and Technology</i>	2025 – 2027 Angamaly
Bachelor of Computer Applications <i>Chinmaya Arts and Science College for Women</i> CGPA: 7.27	2022 – 2025 Kannur
Plus Two - Computer Science <i>GGHSS Thiruvangad</i> Percentage: 78	2020 – 2022 Kannur
10th <i>GGHSS Thiruvangad</i> Percentage: 74	2019 – 2020 Kannur

SKILLS

Technical Skills

Java, Python, React,C, C++, SQL, MySQL, HTML & CSS, JavaScript, GitHub

Core Subject

Data Structures , Operating System, Database Management System(DBMS), Object-Oriented Programming (OOP), Computer Networks

CERTIFICATES

- Certiport IT Specialist: java

PROJECTS

Smart Scan

Billing and Fast Checkout Android Application

Developed an Android application for supermarkets and convenience stores to simplify product scanning and billing processes. The application enables automatic bill generation and fast checkout to improve billing efficiency and reduce customer waiting time. Implemented using Java, Python, HTML, and Android technologies with a user-friendly interface and product management features. Focused on improving billing accuracy and reducing checkout processing time in retail environments.

LANGUAGES KNOWN

English, Malayalam
